Hello!

July is a month to reflect on freedom and service. The youth provided a service for the Keepers Class on June 28 to give parents an evening out.

We are blessed with the freedom of choice because others have exchanged their life for our freedom. Pause and reflect on the one who exchanged His life on the cross for us. May we pattern our life after the greatest servant mankind has ever known. Make your own mission field this month! Serve wherever you are and may your service reflect the touch of the Master in your life.

Blessings,  
Karla Hampton

### The Rockets Meet

The Rockets met on Sunday, June 14, 2009 in the Rock. Our attendance proved that summer is here! But we, though small in number, had a good meeting.

We began the session with Bible Focus. After our opening prayer, we went further in our study of the Bible and looked at the books of Nehemiah through Song of Solomon, and talked about the subjects in each book, why the books were written and the authors. We read and talked about some of the Psalms and some in Proverbs.

Following Bible Focus we had a short business session. The Treasurer, Amberleigh Dornseif, reported another contribution and the group voted to divide the money between the areas of Mission, Sunshine, and Social. After short reports from Nathan Quigley for the Sunshine Committee, and Landon Quigley for Social Committee, we went right to work on our Mission project for the evening.

With earned funds from our hot dog/ham roll sale and contributions from church members, we filled donated bags with items such as soap, wash cloth, toothpaste, toothbrushes, combs, and deodorant. We also had a contribution from the Dollar General Store of jewelry items, so we were able to place these in the women's bags as well. In total we made 16 bags for men and 16 bags for women. As soon as we get the scripture cards completed to put inside the bags, we will deliver them to the Bassett Center, the Homeless Shelter, and My Sister's House. We thank everyone so much for all of their support with this project. We even had someone mail bags to us to be filled! Thanks so much to everyone!

Following our work, we had a wonderful dinner of sub sandwiches prepared by Janice and Bobby Pridgen. We thank them so much for always being there for us in Sunday School and Rockets!

After dinner, we enjoyed a short game of kickball with Ms. Margie's and Shannon's shoes for bases. With a score of 4-0 we decided to adjourn. Our next meeting will be July 19, 2009 in the Rock!
